MEMORANDUM FOR WILLIAM J. CASEY
DIRECTOR
CENTRAL INTELLIGENCE AGENCY

FROM: JAMES A. BAKER, III
CHIEF OF STAFF

SUBJECT: President's Commission on Executive Exchange

I am sure that you are well aware of the President's goal to improve relations between the private sector and government. Nowhere has this spirit of cooperation been more forcefully demonstrated than at the President's Commission on Executive Exchange. Over the past twenty months there has been a total change of environment and a dramatic upgrading of executive assignments, both in the private sector and the government.

The President has asked me to transmit the following regarding your organization's participation in the Executive Exchange Program:

> Host a business executive within your organization. The most effective utilization of this executive would be on your immediate staff. Assignment for this executive generally begins in September.
>
> The Commission is continuing to fill selected key positions as they become vacant during the year. Candidates for such positions will have backgrounds specifically tailored for your needs, and will serve for one year.

I have asked June G. Walker, Executive Director of the Commission, to visit with you to discuss your Agency's participation. The President strongly supports the Commission and its goals.

Please direct any comments to Mrs. Walker.
